Looks like one meeting will be Wednesday afternoon on EFH consultation with NOAA in Baton Rouge. I will most likely call USFWS and place them on Thursday morning, which will be in Lafayette. We can determine who all is going.

Thank you,

Stacey

Twyla,

Wednesday afternoon would be better for me. I will go ahead and start making arrangements.

Stacey,

Your email made its way to my inbox concerning the LOOP facility. I have availability both Monday and Wednesday afternoon next week. Would either of these work for you?

Thanks,

Twyla
